NOTE: In 1970, the county subdivisions recognized in census publications were census county divisions; in 1980, the Bureau returned to the township structure. Code changes for MCD's shown above pertain to those used to produce supplementary report PC(S1)-107, 1970 Population of North Dakota by Township and City, issued in Dacember 1976. All unorganized territory existing within a county in this publication was coded "000" (balance-of-county) and published as an aggragata termed "Unorganized Territory."
